## Symphony Ice Dispenser

Follett offers a wide selection of attractive, space-saving countertop, wall mount, and freestanding ice dispensers with up to 90 lbs of storage. Countertop models can be converted to freestanding units by adding a base stand.

Countertop and freestanding models come with lever or SensorSAFE™ infrared dispensing for even more convenience and sanitation. Wall mount models offer SensorSAFE dispensing only.

All models feature Follett's heavy-duty Chewblet® ice machine as well as quality construction features, exceptional reliability, and the industry's best program of after-the-sale service and support.

Storage Capacities
